A painter with dark hair tied back is shown from the side, wearing a light-colored striped shirt. They are leaning over an easel, focused on painting a landscape on a canvas. The studio is filled with various art supplies, including a palette with paint, brushes, and a violin leaning against the easel. The lighting is warm and focused on the painter and their work, creating a creative and inspiring atmosphere.

MY CREATIVE SPIRIT IS
WAKING AND READY.
I LISTEN FOR WHAT
FEELS TRUE AND ALIVE.
I FOLLOW THE DIRECTION
THAT PULLS ME FORWARD.
I RISE INTO THE YEAR
WITH STEADY PURPOSE.
